RDA Northern Rivers presents Building Future-Ready Businesses in the Northern Rivers – A Roadshow Event. Tickets On Sale Now.

RDA Northern Rivers with partners AusIndustry, NBN Co, ICN, Essential Energy and Northern Rivers Tech, are bringing a roadshow to towns in the Northern Rivers over four days in March 2026.

Designed to assist Small to Medium Enterprises (SMEs) and the manufacturing industry, this regionally focussed roadshow series offers an exclusive opportunity to assist shape the region's growth and innovation. It will bring practical insights into the benefits of innovation and sustainability-led business growth strategies, digital connectedness and capability, collaboration and profile in optimising business value, efficiencies and international competitiveness.

RDA Northern Rivers Director of Regional Development, Mr Anthony Schreenan said, "This roadshow is about connecting Northern Rivers businesses with practical support, infrastructure providers and government programs that can help them grow, innovate and remain competitive.

"By bringing key agencies and service providers directly into our communities, we're making it easier for local businesses to access information, build relationships and identify real opportunities."

Northern Rivers SMEs and the manufacturing industry are being invited to future-fit their business to seize emerging regional, national and global opportunities.

“The Northern Rivers has strong momentum across a range of industries, and this roadshow is designed to ensure businesses have clear pathways to the support and investment needed to capitalise on that growth” said Mr Schreenan.
